Volume 1 of our workbooks covers the spectrum material that could possibly be tested. The CertBoK has the online format of self-evaluation sessions designed to supplement your home study program and reinforce those areas where emphasis is needed for the examination. The program will provide you with over 650 questions, answers and, **more importantly**, explanations.

- Reduces your study time by as much as 50% with current up-to-date material.
- CertBoK® contains approximately 600 questions, answers, and explanations.
- Question and answer format complete with fully developed explanations.
- Most frequently used formulas with terms explained.
- Prioritized list of study material.
- The self-evaluations on CertBoK® are in the same computer format used for the actual exam.
- Track your scores and progress.

Focused Study

There is no easy way to gain your certification, however these workbooks have proven to be the tool that you need to make the most of your study time. There is no "nice to know" information in our workbooks. All of the guidance is focused towards the principles and theories required to pass the examinations. To remain current, all of our workbooks are reviewed and revised annually. Start your study program today by ordering a workbook and CertBoK combo. There is simply no better study material available.

The SPAN™ CertBoK® is an interactive, online learning management system (LMS). This expert learning tool is designed to help safety, health and environmental (SH&E) professionals prepare

for certification exams offered by the [Board of Certified Safety Professionals \(BCSP\)](#). SPAN™ members have special access to a wealth of well-researched information specific to each certification examination.

Key Benefits of SPAN™ CertBoK® Membership

The SPAN™ CertBoK® is a renewable six month subscription based service delivering the essential knowledge required to successfully pass certification exams. The system includes learning resources that are targeted to certification exam preparation. Members have access to reference materials, flashcards, study sessions, practice exams and mentors that are exam subject matter experts.
